

ENVIRONMENTAL STATEMENT

NISSI BEACH RESORT, strives to achieve a “low environmental impact” from it’s operations and is fully aware of its environmental responsibilities. Our Hotel has embarked upon an environmental journey for the continuous improvement and full compliance with the environmental laws and regulations. NISSI BEACH RESORT is proud of its achievements (Awards granted by Travelife ,Thomas Cook and Tui Uk,Tui Germany-Tui environmental champion) which demonstrate a firm and steady commitment to environmental excellence.

More explicitly the Hotel’s environmental policy calls for the following:

- **The development of a sense of environmental responsibility among all employees by actively protecting our natural vegetation**
- **The development of environmental programs using products with low environmental impact.**
- **The integration of environmental aspects into our day-to-day operations; full scale recycle program.**
- **The assessment of the environmental impacts of all activities, products and processes in advance and identifying any preventive and/or corrective measures needed.**
- **Setting of Qualitative and Quantitative targets in order to minimise the environmental impact from our operations; Reducing water consumption, electricity & petrol consumption.**
- **Implementation of the necessary measures to prevent, eliminate, or reduce pollution, emissions and waste generation to the minimum and to conserve resources, taking clean technologies into account; The hotel has installed a new chiller with a Heat recovery system.**
- **Provision of on-going training for our staff on environmental and health & safety issues.**
- **Continual improvements in operations, emergency preparedness and management oversight to increase the effectiveness and reliability of our environmental management system;**
- **The adoption and rigorous adherence to the highest standards in health, safety and security, and the protection of the environment;**

The Hotel’s Environmental Management System is based on the ISO 14001 Standard and all employees are expected to adhere to our environmental policy at all times. The Hotel has been certified with the ISO 14001 since 1996.
